REGISTER YOUR INTEREST NOW!

The International Primary Care Respiratory Group is pleased to announce that the 6th World Conference will be hosted by the Primary Care Respiratory Society UK and will be held in Edinburgh, Scotland.

- Internationally renowned keynote speakers
- Symposia addressing the issues of relevance to primary care practitioners in the management of respiratory disease
- Cutting edge pragmatic and primary care research from the leading respiratory units around the world
- Practical workshops to update the skills for everyday practice
- Opportunities to network with like-minded colleagues from around the world including a conference dinner

Edinburgh's historical, cultural and state of the art conference facilities plus excellent transport links make it the perfect city for a conference.

To register your interest in attending this conference, and for further information please complete the form below and fax to +44 (0) 121 336 1914; or email your details to the conference organiser: info@ipcrg-pcrs2012.com
